

6th Grade Science– Week (3-27-17)

TEACHER: JULIE M.
MUELLER

GRADE: 6

	Monday	Tuesday	Wednesday	Thursday	Friday
OBJECTIVE(S) (WHAT DO I WANT STUDENTS TO KNOW/)	To prepare for the Chapter 3 assessment.	To prepare for the Chapter 3 assessment.	Only a skeleton crew left with choir and band competition.	To assess Chapter 3 "Exploring the Universe".	Go over the Chapter 3 test. Begin making space games.
INSTRUCTIONAL METHODS (HOW AM I GOING TO INSTRUCT/)	Class will work through the Chapter 3 review worksheet together. Class will work through Textbook Vocab, pages C106-C17 together.	We will play the review game. Class split into two groups. They are asked questions from a bank of questions that could be on the test.	Those left will get to watch the video "Deep Space Exploration" (saved at teacher's bookmarks)	Closed book test over Chapter 3.	Students, in teams, will design a game centered on assigned planet. The game is to be geared to the 2 nd or 3 rd grade level as we will invite classes to come up and play the space games once the games have been graded.
ASSESSMENT HOW WILL I ASSESS LEARNING	Informal assessment of what students have learned as we covered Chapter 3 "Exploring the Universe".	Informal assessment. Good review.	Totally a filler, but definitely about the topic we have been covering.	Students will complete a 30 question, 2 points per question, test.	Student projects to be graded on rubric that was given to the students at the beginning of the project.

CLOSURE	We will play the review game on Tuesday. Your Chapter 3 test is Thursday.	Chapter 3 test is Thursday. (Due to choir competition on Wednesday)	Reminder: Chapter 3 test is tomorrow.	Free read.	We will continue with this the two days we have class next week.
